Yeomen of the Guard

Drive safely into the 80s ... with VOLVO

A Volvo's quality isn't just skin deep. Beneath the seven coats of paint lies an immensely strong safety cage that protects the driver and passengers from life's knocks.

There are front and rear crumple zones, safety bars in the door and one of the most reliable dual braking systems in the world.

The Volvo has won many international awards for safety — come and see why at our showrooms.

P.S. If you're not in a Volvo, drive extra carefully.

Inverness Opera Company, (Founded 1927)

Hon. Presidents Remarks

The Inverness Opera Company's debut in Eden Court was the very popular *Mikado* which was very much appreciated by the public. This year the Company decided to produce the *Yeomen of the Guard* which in many people's opinion is the most 'operatic' of all Gilbert & Sullivan's Light Operas.

It is twenty-eight years since the Company staged the *Yeomen of the Guard*.

This year the Company has welcomed many new members but it is interesting to note that many of the members who were in the 1952 production are in this present show — still going strong after twenty-eight years.

The Company has suffered a grievous loss in the untimely death of their Hon. Vice-President, Andrew MacClure. He was a very good friend to the Company and as a devotee of Gilbert & Sullivan was an inspiring chorus master. The Company miss him very much.

There are many people who help the Company but first thanks must go to the Loyal Patrons who give tangible support as Associate members. Their subscriptions help so much in the launching of a new show. There is to be another production by the Company in November in Eden Court. New Patrons will be most welcome and can apply to the Secretary, Mrs Stella Reynolds for details.
